

Policy 120 Tobacco Usage

Effective Date: October 20th, 2008

Revised Date: April 29th, 2022

Section 1 Purpose

The Wayzata Police Department is committed to providing a healthy, comfortable and productive working environment for its employees. Smoking has been shown to affect the health and comfort of non-smokers who come in contact with secondhand smoke or side stream smoke.

Section 2 Policy

The Wayzata Police Department and its vehicles shall be designated as “Tobacco Free”, meaning that all persons shall be prohibited from smoking cigarettes, cigars, pipes or using chewing tobacco, snuff or other related substances while in the Police Department and City – owned vehicles. Tobacco use is allowed only during approved relief periods, as per the Union Contract.
