I. Purpose

The purpose of this policy is to allow for peaceful assemblies, rallies, parades, pickets and demonstrations. It also should protect people's rights for free speech, while still allowing UW-Whitewater to complete its mission.

II. Policy

It is the policy of the Board of Regents that the facilities of the university are to be used primarily for purposes of fulfilling the university's missions of teaching, research and public service. University facilities are not available for unrestricted use for other purposes. In order to preserve and enhance the primary functions of university facilities, the board of regents adopts this chapter to govern the use of university facilities (UWS 21.01). Because the priorities for use of UW-Whitewater facilities and ground vary according to the type of facility and intended uses of grounds, the University has established the Facilities and Grounds Use Policy.

UWS 18 provides expectations of conduct and the restrictions associated with conduct on lands or the use of university facilities, specifically UWS 18.07(5), UWS 18.11(4), and UWS 18.11(5).

Those expectations include, but may not be limited to:

- A. No hindering of entrance, exit or normal use of facilities
- B. No unauthorized entrance into private office space
- C. No hindering of movement within stairways, corridors, etc.
- D. No signs supported by sticks or standards
- E. No intentional noise that interferes with sponsored or authorized activities
- F. No intentional employment of force or violence against individuals or property.

III. Procedure

A. Facilitation of Events:

The University of Wisconsin-Whitewater seeks to facilitate all manner of free expression, speech and thought. In order to ensure the safe and appropriate usage of facilities,

UW Whitewater Police

individuals and groups are highly encouraged to utilize the university officials and offices tasked with event management.

1. Assemblies, rallies, parades, pickets and demonstrations are normally considered exterior or outdoor activities.
2. All exterior university space can be reserved to ensure usage of desired areas. Reserved space is considered a sponsored or authorized activity and afforded additional event protections.
3. Contact the Academic Liaison Officer (UW-Whitewater Police Department) for assistance with the organizational and administrative aspects of the event.

B. Other Considerations:

The use of interior spaces for in or in conjunction with events falling under this policy will require additional reservations and may fall under Appendix M, Special Events Policy. Facility use for political purposes is further governed under Appendix L, Facility Use for Political Purposes.

C. Declaration of an Unlawful Assembly:

When informed of any assemblies, rallies, parades, pickets or demonstrations which may not comply with UWS 18.11(4)(a) of the Wisconsin Administrative Code, the chief administrative officer of the institution (Chancellor) or designee may proceed immediately to the site and determine if there is compliance. If there is not, they may read the following statements to the participants:
