# **DISPATCHER MODULE**

Ability to access all towns from one screen and provide data to police departments in real-time

- One log-in gets dispatchers access to all departments
- Real-time data passed between dispatcher and department
- Quick access to a department's data will reduce resources
- Public portal Allows dispatchers more time to handle emergency calls

#### Contact Your Sales Representative Today for More Details!

Phone: 855-794-1576

www.frontlinepss.com

Since going live with the overnight parking public portal, we have **reduced** the amount of **calls** coming into our dispatch center by approximately **80 percent**. This allows our dispatchers to handle emergency calls and not divert their attention to non-emergent calls requesting overnight parking permission.

Anite Ny Consider States No.

William J. Perna Sr., M.S. Director of Public Safety County 911 Coordinator Office of Emergency Management Gloucester County Department of Emergency Response

# Dispatcher Module Bridging the Gap Between Police, Dispatch & the Community

#### Select Department from Dropdown Menu

- All the departments handled by dispatch center are available to the dispatcher
- Select the department and click submit
- Dispatcher is placed in that module to create entry
